Judith Konzett-Knetsch is the Executive Personal Assistant to the Department Chair Prof. Uwe Siebert at the Institute of Public Health, Medical Decision Making and Health Technology Assessment at UMIT TIROL - Private University for Health Sciences and Health Technology in Hall i. T., Austria.

She earned her Diploma and the subsequent Master's degree in health management at the International Management Center in Krems and at the Lapland University of Applied Sciences in 2008 and 2010. During her education she started working as junior consultant for a healthcare communication and PR agency in the pharmaceutical industry. In 2010 she changed to the social sector and started as Executive Assistant and office supervisor to the CEO of a major company.

Since 2012 Judith Konzett-Knetsch is a member of the crisis intervention and emergency care team Vorarlberg (currently dormant).

Her research interests include long-term financial viability of healthcare systems, equity in healthcare, empowerment in health and social care.
