Kathrin Lidl, BScN is a Junior Scientist at the Division for Quantitative Methods in Public Health and Health Services Research, Institute of Public Health, Medical Decision Making and Health Technology Assessment at UMIT TIROL - University for Health Sciences and Health Technology in Hall in Tirol, Austria.

Kathrin Lidl completed her Bachelor of Science in Nursing at UMIT TIROL and started to work as a graduate nurse in the intensive care unit of the hospital in Kufstein in April 2018. During her training as a nurse, she worked for several years as a voluntary paramedic for the Austrian Red Cross in Tyrol. In March 2022, she completed her specialist course for anesthesia and intensive care in Rosenheim. She is currently studying for a master's degree in Public Health at UMIT TIROL.

Her research interests are currently in the process of developing, but mainly she is interested in public health and health related topics and health services research.
